

Getting Started Guide

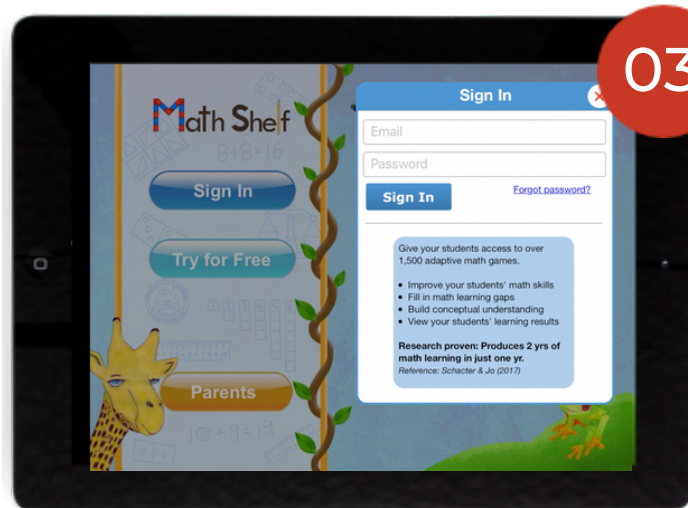

[Click here for a video guide to getting started](#)

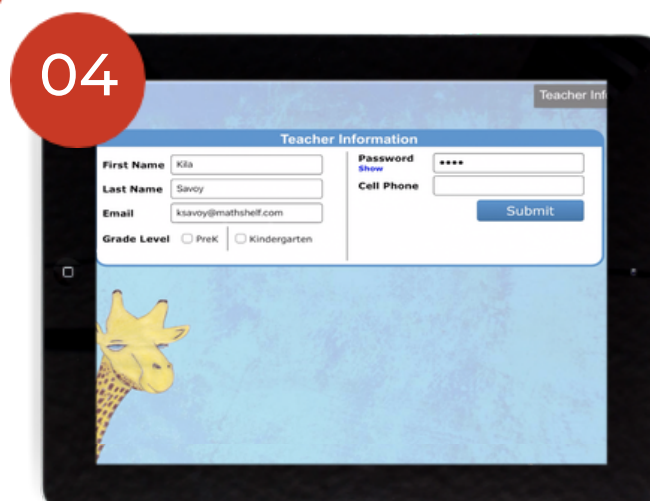

Download and open the Math Shelf App.

Click "Sign In".

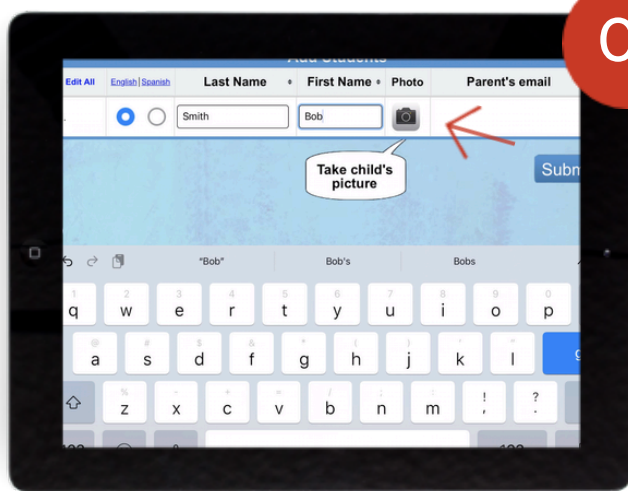

Sign in with your school email and password (your first name).

Enter your teacher info and touch "Submit".

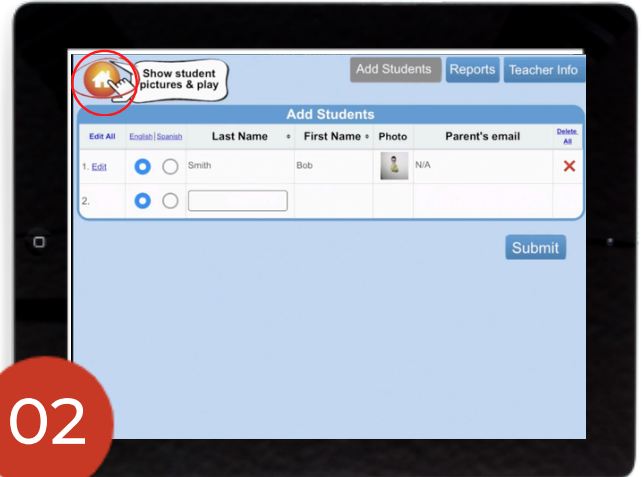

Adding Students

[Click here for a video on how to add students.](#)

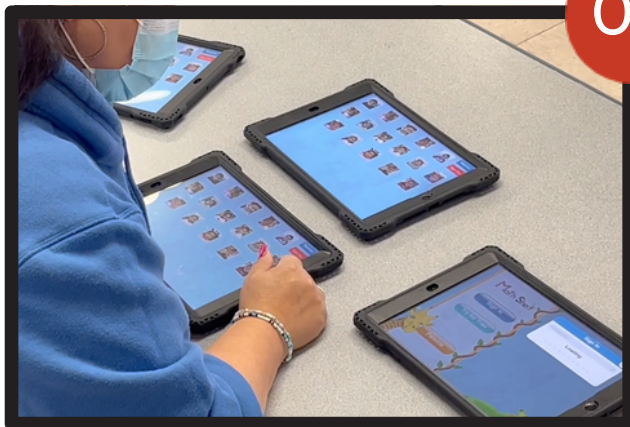

01

Type the student's last name, first name and take a picture.

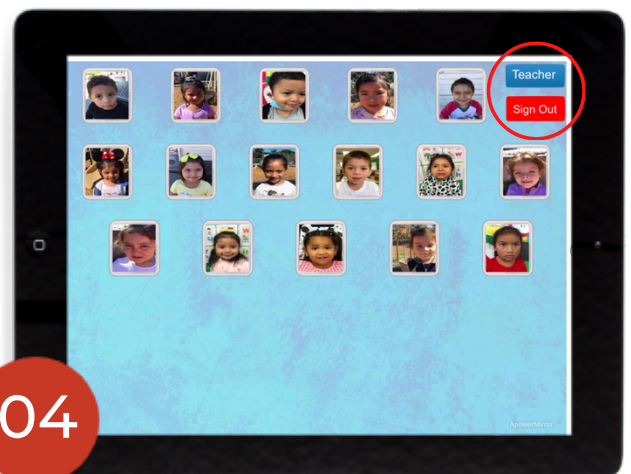

02

Add all students using 1 device. Then, click the HOME button to view student profile pictures.

03

Sign In to the other devices, and student profiles will automatically populate.

04

If you need to add more students, tap the Teacher button
